

December 10, 2019

It is a pleasure to make the following announcements as E+P begins its 2nd century of business.

The firm is proud to announce that Hong Nguyen and Brandon Ferrell are being named to lead the Privately Owned Business-Accounting Consulting & Tax (POB-ACT) division. Both Hong and Brandon are senior executives with decades of public-accounting experience. Hong will continue in a lesser role to serve selected Governmental clients and Brandon will continue his role in serving Special Districts and Agricultural clients. The firm feels this POB sector of the business world is underserved and sees tremendous potential for growth. The U.S. Small Business Administration Office of Advocacy, in 2018 stated that Small Business Employers account for approximately 48% of the workforce.

Roma Scott is now leading our Not-For-Profit sector. Roma will continue to be a key part of serving our tax clients as well as outsourcing services.

Rob Sachs continues as a Senior Business Advisor, working with the Executive Team and our team on Sales/Business Development, Client Relations, Planning and the Web.

Lastly on behalf of the firm we want to thank Deborah Crowley for her decades of service to the firm, clients and community. Deborah is retiring per the Partnership Agreement on December 31st. We are pleased that Deborah wants to continue as a Partner Emeritus on January 1, serving as a valued resource on our Governmental Team.

Please join me in congratulating everyone on their new roles.

Happy Holidays and here's to a healthy and prosperous New Year!
